# Alteration of fund choice

## About this form

You should read the notes in section 5 before you fill in this form. Once you've completed it, you must send it to our head office.

Please don't send it to another one of our offices as your switch may be delayed, which could affect the prices we use.

Online switching is available for most of our products. You can find more information at [aegon.co.uk](http://aegon.co.uk)

You should enter the exact fund name(s). You can find this by going to [aegon.co.uk/fullfundrange](http://aegon.co.uk/fullfundrange) and selecting 'other fund ranges'.

### Switch constraints and charges

You can find details of any switch constraints and charges that may apply to you in your policy conditions booklet.

If we receive switch instructions at our head office before 12 noon, we'll use the bid (or fund) prices set on the next business day to carry out your switch. If we receive it at or after 12 noon, we'll use the bid (or fund) prices set on the second business day after we receive it.

Where we receive switch instructions by post, we'll treat them as having been received at 8am on the day we receive them at our head office. If this day is a non-business day then we'll treat them as having been received at 8am on the next business day.

Where a switch instruction is sent to another part of Aegon, rather than direct to our head office, we'll make arrangements to forward the instructions to our head office. However, we'll not be responsible for any delay in switch instructions reaching our head office, or for any instruction which doesn't reach our head office.

We recommend that you fax the instruction to our head office using the number provided at the start of this form.

There can be no switch out of the Non-Profit Deferred Annuity fund.

Where the instruction includes a switch into a fund which became available after the plan/ plans start date, the plan will be changed to include our current standard provisions for new funds made available since the said start date, and we'll make the change available to the Member Trustees.

---

## 5. Notes – continued

---

We reserve the right to defer switches by up to one month (up to 12 months where units are being switched into or out of the Property fund or a fund that's invested in whole or in part in real/heritable property, for example land, buildings and leaseholds).

### **With-Profits guarantees**

Potentially valuable investment guarantees will be lost if you switch out of With-Profits funds before the retirement date selected when you took out your plan. Once you switch out of these funds you won't be able to switch back in.

If you're unsure, we recommend you speak to your adviser.

You can find more information at [www.aegon.co.uk/wpguarantees](http://www.aegon.co.uk/wpguarantees)

### **Market value reduction**

We may apply a market value reduction on withdrawals or switches out of the With-Profits fund (Option 1), the High Equity With-Profits fund or the Deposit Administration fund. No market value reduction will apply on switching to the Cash fund at selected retirement age.

It isn't possible to switch into the High Equity With-Profits fund or the Deposit Administration fund if your plan was taken out on or after 1 October 2002.

### **Smoothing adjustment**

A smoothing reduction or increase may apply on switches or withdrawals out of the With-Profits Growth fund and the With-Profits Cautious fund.

### **Clear and complete instructions**

For us to act on any switch information, it must be fully complete and clear. Where we reasonably decide that the switch instruction isn't fully complete or isn't clear, we won't act upon it and will inform you accordingly as soon as possible. If we then receive a clear and complete instruction from you we'll deem the instruction to be received at the date and time we receive the clear and complete instruction.

We'll only use the phone number you have provided in section 1 to contact you in relation to your switch instruction. If we receive an incomplete instruction or the instruction isn't clear, we'll phone you to advise.
